Zirconia Bridges are Strong and Beautiful

Recent advances in computer-generated CAD/CAM designed restorations and advances in high strength Zirconia provide us with the ability to create strong, beautiful and highly accurate bridges in a fraction of the time of traditional bridges. These bridges are metal free and computer milled from a solid block of Zirconia, resulting in a durable, chip resistant restoration with a natural translucence and superior fit.

Best of all, a Zirconia Bridge is only \$1,025 per unit. Ask your dentist if a high strength Zirconia Bridge is the right choice for you.

Smile and Get Noticed!

Your smile is often what people notice first. Maintaining your smile affects the way you look and feel about yourself. Having your teeth cleaned and professionally whitened is an easy way to maintain a healthy smile and to catch any potential problems early.

If you have a tooth that's broken, weak or badly shaped, a crown may be the answer to restore your smile. A crown can make your tooth stronger and improve your appearance. Crowns can also cover teeth that are discolored or badly shaped. Our Basic Crown is only \$625.

If you're missing one or more teeth, a bridge might be the answer for you. Bridges can alleviate the stress in your bite by replacing missing teeth. They can also help improve your appearance by maintaining the shape of your face. Our Basic Bridge is only \$625 per unit.

See our complete line of affordable crowns and bridges at our website at www.MidAmericaDental.com or call us at 417-466-7196 or 800-354-1905 for more information and to schedule your appointment.

We're Consolidating All Our Patient Care

We're consolidating all our patient care to the Mid-America Dental & Hearing Center - Highway (1050 W. Hayward Drive) location to better serve you.

Our Mid-America Dental & Hearing Center - Loop (558 E. Mt. Vernon Blvd.) location is temporarily closed.

Currently, we are only seeing patients at the 1050 W. Hayward Drive location.

Like us on Facebook or at www.MidAmericaDental.com and click on our Facebook link in the right column.

Flexible Partials Are A Popular Option

Our Flexible Partials are a popular option among our patients. Flexible Partials are made with Duraflex, a revolutionary new thermoplastic, which makes them extremely durable; yet lightweight, thin and flexible with a minimal risk of breakage.

Because they are custom fitted to your mouth in our in-house lab, Flexible Partials offer a comfortable fit and feel. They are also completely metal free, giving a translucent, natural look that virtually disappears in the mouth!

Premium Flexible Partials are only \$1,150 per arch, and comes with a 5 year warranty and includes 6 months routine post delivery care that covers all adjustments, relines, rebase and repairs if required. Best of all, you can receive your new Flexible Partial usually in 3 days. Ask your dentist at your next visit if Flexible Partials are the right choice for you.

Dr. Collins & Associates are Missouri licensed General Dentists. They are not licensed in Missouri as specialists in the advertised dental specialty of Prosthetics, Orthodontics or Oral Surgery. Implants are a specialty area not recognized by the ADA that require no specific training to advertise this service.

A Beautiful New Smile with Dental Implants

Let us give you a beautiful new smile by replacing missing teeth with dental implants and crowns. Implants can be used to replace one or several missing teeth.

With our new 3D CT X-Ray scans, used in conjunction with modern CAD/CAM technology, your Doctor is now able to determine the precise position of an implant prior to the start of treatment.

A surgical guide is then created to ensure the treatment follows the exact digital plan. This superior level of accuracy helps provide a successful long term restoration.

Implants are only \$1,495 each. A Premium Crown attached to the implant can be precisely milled for a precise fit and is only \$1,045. Call us at **800-354-1905** or **417-466-7196** to schedule your next appointment.

Schedule Your Fall Family Checkups Today

Let us help keep your family's smile healthy and beautiful this fall. We offer general dentistry for the entire family, ages four and up! Our services include annual checkups, x-rays, fillings, extractions, cleanings, whitening and more; all at affordable rates to fit your budget. New patients welcome.

We accept Delta Dental, Metlife, Guardian and over 200 other dental insurance carrier. If you need a little extra help with financing your visit, we also accept Care Credit financing. Call us and schedule your family's checkups today.
