

Our Patients Love the New Flexible Partial

"I love my new Flexible Partial. It looks so good, I can smile again! It's so comfortable and so natural looking others can't tell I'm wearing it. I started a new job and everyone there

thought I still had all my natural teeth. They had no idea I was wearing a partial. That really makes you feel good. Thanks for giving me my smile back."

NEW FLEXIBLE PARTIALS

Our new Flexible Partial is rapidly becoming our most popular partial with patients because of its impressive good looks and snug, comfortable fit. Best of all, you can have your new Flexible Partial the afternoon of the next business day!

Natural Looking:

Our Flexible Partial is our most natural looking partial. The high quality flexible acrylic and natural looking teeth make the Flexible Partial an excellent choice for appearance.

Outstanding Comfort:

These partials are made of the finest new flexible acrylic that moves with you to create a comfortable, snug fit. Flexible Partial is lightweight and metal free. You'll love wearing this partial!

Two Styles:

Our new Flexible Partial is available in two styles, the Premium and Better Flexible Partial, to help you choose the one that's right for you.

The Premium Flexible Partial.....\$895

The Premium Flexible Partial is made of the highest quality, most natural looking teeth and flexible acrylic. With many shades to choose from, we can match your teeth and gums. The Premium Flexible Partial not only looks great, the fit is second to none! With a four year warranty against chipping and cracking, it's the best buy around.

The Better Flexible Partial.....\$745

The Better Flexible Partial is made of a high quality, new flexible acrylic and natural looking teeth. The acrylic teeth

are hard to chip and will give excellent service. The Better Flexible Partial includes a two year warranty against chipping and cracking. This partial is a great blend of appearance and economy with two shades of teeth from which to choose and one color of acrylic.
