New Year...Fresh Start...It's Time to Celebrate You!

The New Year is here, and it's time to celebrate yourself! This year, make a resolution to focus on yourself and get that beautiful, natural-looking smile back. Losing a tooth, whether in the front or back, can be more than just uncomfortable. It can also have a significant impact on your self-esteem, confidence, and overall health. Don't let a missing molar or front tooth hold you back from feeling your best.

At Dental Centers, we understand that your smile is an essential part of who you are. That's why we offer an array of procedures and solutions to help you achieve the smile you deserve. From basic checkups to advanced procedures, we'll work with you to find the best solution for your needs.

But we know that cost can be a concern, which is why we accept Delta Dental, MetLife, Guardian, and over 200 other dental insurance carriers. And if you need a little extra help with payment, we also accept CareCredit (some restrictions apply). So, don't let finances hold you back from getting the care you need.

At Dental Centers, we've been helping people like you for over 44 years. We offer the best care for less, and we can even do it in a day! With our help, you can restore your confidence, self-esteem, and overall health. So, why wait? Call us today at (417) 466-7196 or (800) 354-1905 to schedule your next visit. You'll be glad you did.

Visit us online at www.MidAmericaDental.com to learn more about our services, pricing, and options. Don't let a missing tooth hold you back any longer. Let us help you get the smile you deserve.

Take the first step towards a healthier and more captivating Smile

Are you tired of feeling self-conscious about your smile? Do you avoid social situations or refrain from laughing openly because of misaligned teeth? It's time to take control of your smile and boost your confidence with braces. A captivating smile is a universal symbol of happiness and confidence. Braces can help you achieve the smile of your dreams and give you a newfound sense of self-assurance. Not only do they offer cosmetic benefits, but braces also provide numerous oral health benefits that can significantly impact your overall well-being.

At Dental Centers, we are committed to providing you with the highest quality orthodontic care in a comfortable and friendly atmosphere. Our experienced orthodontist, Dr. Robert Rosevear, utilizes the latest technological advances and computer imaging to create a beautiful smile for every patient. Together with our Expanded Function Dental Assistants licensed in Missouri for Expanded Functions in Orthodontics, we can help you get started on your path to a beautiful new smile for much less than you might think.

Don't let misaligned teeth hold you back any longer. Schedule a consultation with us today by calling (800) 354-1905 or (417) 466-7196. Take the first step towards a healthier and more captivating smile that reflects your inner confidence and joy.

A Healthy Smile Doesn't Have to Cost a Fortune...

Hey there! Are you looking for some easy ways to keep your smile healthy and bright without spending a fortune? Well, you've come to the right place! Taking care of your teeth is crucial for your overall well-being, but it doesn't have to be expensive or time-consuming. With a few simple steps, you can prioritize your dental health and enjoy a beautiful smile without breaking the bank.

First things first, remember to brush and floss regularly and use proper technique to get the most out of your dental routine. And don't worry, you don't have to splurge on expensive products to achieve optimal oral hygiene. There are plenty of affordable dental products out there that work just as well as their pricier counterparts.

Another essential tip is to prioritize preventive care. Regular check-ups and cleanings can save you from costly dental treatments down the road and keep your smile in tip-top shape. And don't forget about the importance of maintaining a healthy diet to support your dental health.

At Dental Centers, we're here to help make dental care accessible and affordable for the entire family. Our experienced team of dentists, hygienists, and expanded function dental assistants offers a wide range of services, including oral evaluations, digital x-rays, cleanings, fillings, and more.

So, why wait? Give us a call today at (417) 466-7196 or (800) 354-1905 to schedule your next visit.

Remember, investing time and effort in your dental health today can save you from costly dental treatments in the future. So, let's prioritize your smile and enjoy the benefits of a healthy, radiant grin.

Rediscover Your New Smile Today..

Are you experiencing tooth loss due to age, decay, or trauma? If so, dentures may be the answer to your dental woes. While some may hesitate to embrace dentures, it is crucial to understand the numerous benefits they offer. From improving oral functionality to restoring self-esteem, wearing dentures is an essential step toward maintaining overall oral health and enhancing one's quality of life. Dentures provide functional and aesthetic benefits by enhancing oral functionality, supporting facial muscles, preventing complications, and boosting self-esteem. By embracing dentures, individuals can regain their smiles, enjoy a varied diet, and confidently engage in social interactions.

At Mid-America Dental, we understand the importance of having a beautiful and functional smile, which is why our skilled dentists and highly trained technicians work together to make your custom-fitted denture or partial. Each denture is made of top-quality materials, is affordably priced, and most importantly, finished the SAME Day in our onsite lab. **Our Basic Same Day Dentures** are available for only **\$245 per arch** and come with a **6-month warranty** with only 1 standard shade. But don't stop here, we offer a full line of dentures with premium features at affordable pricing, and you can still get same-day service on these quality dentures.

Don't let tooth loss keep you from enjoying a fulfilling life. Rediscover your smile today and get **Our Best...For Less...In A Day!** Consult with our dental professionals to determine the most suitable denture option and ensure proper fit and maintenance. Come to Mid-America Dental and see the difference for yourself.

Dental Anxiety? You're Not Alone..

Did you know that most people experience some level of dental anxiety? It's completely normal, especially if you're facing a new procedure. But don't let fear hold you back from taking care of your oral health. The good news is, there are ways to overcome dental fears and make your next appointment a breeze. It's important to understand the root of your anxiety. Whether it's fear of pain, needles, or embarrassment, identifying your concerns is the first step towards overcoming them. Don't let shame or humiliation keep you from seeking the dental care you need. Your dentist is here to help, not judge you.

With some helpful tips, you can take control of your dental anxiety. Imagine feeling confident and relaxed during your next appointment. It's possible! Let us guide you through the process of overcoming your fears and achieving optimal oral health.

Here are some tried-and-tested tips for overcoming dental phobias, anxiety, and fears.

- Let your dentist know about your fears.
- Just have a chat, away from the chair.
- Arrange a stop signal.
- Bring a friend or family member with you.
- Bring a blanket or a comforting object.
- Wear an outfit you feel confident and comfortable in.
- Listen to music or watch TV.
- Short bursts of treatment.
- Check out the equipment.
- Take a break during treatments.
- Hold the suction tube.
- Find the perfect time of day for your appointment.
- Celebrate and have a treat line up after dental visit.
